Tamarack West

Super Fun After School

At Tamarack West we believe After School should be a time when kids play, laugh, make noise and most importantly RELAX.

Our After School program provides a dynamic array of activities in a stress free, pressure free environment. Our students follow their interests choosing how they wish to occupy their time. Whether building an eccentric Rube Goldberg machine or lazing on a beanbag chair, executing the occasional summersault, our students are encouraged to follow their inspiration for any given day.

Our After School caregivers bring new ideas and options every day, options that can be modified, adapted and/or aborted based on the wants and needs of our students.

Hours (including pick-up): 3:00 - 6:00

Fees: $22 per day
